

# **The White and Yellow Cross Care Foundation Sint Maarten**

The White and Yellow Cross Care Foundation provides client centered quality care in a warm and safe environment to all Sint Maarten residents in need of our services. This trusted CARE is supported by continuous learning opportunities for all employees.

Together, we have a long-term commitment to quality care.

The foundations departments are:

- The St. Martins Home: nursing/elderly care, psychogeriatric daycare and rehab.
- The District Nursing: nursing care, maternity care and home care.
- The Sister Basilia Center: daycare, residence and guided living for disabled

**As of July 1st the WYCCF has the following vacancy:**

## **Department Manager District Nursing**

The department manager supervises the District Nursing team and contributes to the development and execution of the institutional policy and year plans.

Knowledge is required at HBO level, supplemented with management training in healthcare. Social skills, which include tact, persuasiveness, empathy and problem solving ability, are required for managing and implementing policy and year plans. Working experience as a RN in the district is a plus. The job requires a valid driver's license B and intermediate computer skills.

Written applications with resume and copies of relevant diploma's are to be send to Mirjam Vierhout before June 15th via email: **MVierhout@whiteyellowcross.org** Phone: 5484431, extension 730. Function description available upon request. Dutch residents or permanent residence permit holders only.
