

UNOPS

The United Nations Office for Project Services (UNOPS) is an operational arm of the United Nations, supporting successful implementation of its partners' peacebuilding, humanitarian and development projects around the world.

Job Vacancy

National Project Coordinator

UNOPS is assisting the Government of Curacao (Ministry of Traffic, Transport, and Urban Planning) in its objective of adapting its management of infrastructures in a way that will be resilient to the different changes that the country will face in the coming future, from the effects of climate change to an economy that is less reliant on fossil fuels.

The UNOPS office in Curaçao is looking for a National Project Coordinator with minimum 2 years of experience.

To apply and get more information about the minimum requirements, please visit the following website:

<https://jobs.unops.org/pages/viewvacancy/vadetails.aspx?id=14494>

Only online applications will be accepted.

The deadline for application is 11th December 2017
