Building a better working world

Vacancy EY Curaçao Risk Manager Advisory

EY is a global leader in Assurance, Tax, Transactions and Advisory services. We are a family of over 270,000 professionals worldwide that are united by shared values, which define who we are. Our values influence the way we work together, the way we serve our clients and how we engage with our communities. We are:

- ▶ People who demonstrate integrity, respect and teaming
- ▶ People with energy, enthusiasm and the courage to lead
- ▶ People who build relationships based on doing the right thing

Recruiting, managing and retaining top talent, and developing high-performing teams and outstanding leaders are some of our top priorities. So everything we do for our people is a vital part of our business. We aim to give all of our people interesting, challenging work that allows them continuously to develop their skills and knowledge. And to do so in an ethical environment that strongly supports their personal integrity and growth.

EY is consistently ranked by Fortune and Universum as the best employer among all professional services organizations. From the moment you join us, we will give you real challenges and offer you great opportunities to develop your professional skills and shape your career. Our reputation is based on creating outstanding leaders that help *building a better working world*.

Advisory and Risk

Our Advisory service line focuses on helping clients to improve their performance and manage their risks more effectively. Particularly important in a complex and uncertain business environment, with escalating competition. We work with clients to address their specific circumstances and turn strategy into reality. Our highly integrated approach means your work will span all types of clients across a wide range of industries.

As one of our risk professionals, you'll work with multinational businesses and public-sector organizations, help our clients strategically assess, remediate and improve control issues identified, and you'll deliver leading-class internal audit and risk engagements.

To bolster the further growth of our teams in the Dutch Caribbean we are looking for more top professionals:

Experienced Risk Manager

For the position of experienced Risk Manager, we would like to meet with innovative, commercial- and result-oriented professionals who share our unwavering commitment to quality with a Master's or Bachelor's degree in (technical) Business Administration, Accountancy, Economics or Auditing & Control and 6 - 8 years of relevant working experience.

You will take ownership of your projects, deliver high quality results and coach and develop team members. You will also be responsible for managing sales opportunities and develop propositions to help our clients with their needs. The qualities we are looking for?

- ▶ Solid internal audit & controls experience, supported by a professional qualification e.g. CISA/CIA
- ▶ Solid experience conducting or overseeing risk-based Internal Audits
- ▶ ERM assessment and experience in assessing the effectiveness of a framework and/or designing its key components
- ▶ Very good understanding of core financial and operational business processes, process mapping, walkthroughs, risk analysis and leading practice controls
- ▶ Ample experience identifying market and sales opportunities and developing relevant propositions for our clients
- ▶ Good project management skills to ensure engagements deliver on time and to budget
- ▶ A proactive and self-motivating attitude with lots of energy and enthusiasm to learn and grow
- ▶ Team player with an eye for detail and a high standard of integrity
- ▶ Strong communication and analytical skills in both Dutch and English
