

Vacancy Information Delivery Analyst

Maduro & Curiel's Bank N.V. as a leading financial institution operating in Curaçao, Aruba, Bonaire and the Windward Islands has a vacancy in their Information Technology Department in Curaçao for an:

Information Delivery Analyst

The Information Delivery Analyst (IDA) is accountable analysis, design, development and testing of the Information Delivery Environment of MCB Group. The Information Delivery Analyst is an active participant in information delivery projects, and provides thought leadership in scoping such initiatives and in defining the approach to achieve objectives.

Requirements

- A degree in computer science, mathematics, operations, management, or a related field is required.
- A minimum of 5 years of progressively responsible experience in a directly related area, during which both professional and management capabilities have been clearly demonstrated.
- Technical skills:
 - A solid understanding of the types of tools and of best practices in the field of Business Intelligence, and knowledge of key trends in this area.
 - Extensive expertise in Cognos Analytics / TM1, Crystal Reports, MS SQL.
 - Expertise in logical and physical data modeling
 - Strong understanding of various forms of data base structures (e.g., normalized, star-schema, dimensional) and the operational tradeoffs between them, and in handling “slow-changing” dimensions/attributes.
 - Experience with agile software development.
- General business skills:
 - Excellent presentation, verbal and written communication skills, and ability to present technical information to a business audience.
 - Proven ability to establish and articulate a vision, set goals, develop and execute strategies, and track and measure results.
 - Strong personal organization and time management
 - Proven ability to lead projects and achieve results in an ambiguous work environment. Strong negotiating and consensus building abilities.
 - Flexibility to bring to tasks both “big picture” conceptual thinking and as well as thoroughness and detail orientation.
- Experience in the banking and payments industry is a definite asset.

Besides the excitement and the challenge of a new work environment, we offer growth possibilities and an attractive remuneration package.

If your profile meets the above criteria and you have the necessary experience in this field, we ask you to submit your application letter including your resumé in English via e-mail before 17 May 2019 to:
