

We Care Together!

St. Maarten Medical Center (SMMC) is an ambitious and growing hospital organization on St. Maarten. With more than 400 FTE's, 28 specialists and a capacity of 70 beds, we continuously strive to ensure safe, quality health care. Our primary service area of St. Maarten, Statia and Saba, represents a total population of approximately 60.000 people, constituting a multi-cultural mix with more than 100 different nationalities. In addition, we also offer health care services to the 2 million visitors annually.

SMMC has started the construction of the new St. Maarten General Hospital (SMGH) to expand its services in order to accommodate the increased care demand of the people of St. Maarten, its visitors and neighboring islands. The new hospital is planned to be operational in 2023.

St. Maarten Medical Center

currently has a vacancy for a:

MEDICAL TECHNOLOGY SPECIALIST

Your Profile:

We are seeking a dynamic and motivated individual for the role of **MEDICAL TECHNOLOGY SPECIALIST** for the St. Maarten General Hospital (SMGH). In this role, you will be responsible for the implementation of all Medical Equipment (ME) by coordinating the complete ME inventory, advise on ME specifications and selection, managing user participation process for all new ME, participation during multi-disciplinary design/construction meetings, supervision during installation of ME and coordination of end-user training program.

What we offer:

We offer you a versatile position with a great deal of responsibility in an open, dynamic and professional organization. You will work in a pleasant and rewarding atmosphere with opportunities for growth and development.

Additional Requirements:

- ◆ Bachelor's (HBO) degree in Biomedical Engineering;
- ◆ Minimum of ten (10) years' experience;
- ◆ Highly analytical and possesses problem-solving skills and perseverance to accomplish project milestones;
- ◆ Pragmatic, hands-on and able to work independently under pressure;
- ◆ Verbal and written communication skills in English are required. Dutch is considered a pro.
