

**Aruba National Park Foundation (Fundacion Parke Nacional Aruba)** is responsible for sustainable conservation, development and protection of the designated Aruban flora, fauna, landscapes, marine life and associated cultural heritage. The Foundation offers various nature and environmental education programs, providing information as well as research and monitoring activities relating to nature and habitat management. Aruba National Park Foundation is open for visitors and contributes to sustainable tourism development. The Foundation is a member of the Dutch Caribbean Nature Alliance and has formulated ambitious goals for the future. For this client we are looking for candidates for the position of:

## Chief Executive Officer

### The position

As Chief Executive Officer you are a member of the management board and as such co-responsible for the overall management of the organization in order to achieve the organizational objectives. You are responsible for the development and implementation of the organization's strategic and tactical policies. You initiate and implement organizational innovations and changes. You promote the Foundation nationally and internationally, and maintain and expand a network of current and potential partners, you also participate in local and international project groups and maintain contact with stakeholders. You provide leadership to a growing team of approximately 60 employees and you report to the Board of Supervisors.

### Your profile

You are academically qualified, preferably with a master's degree in business administration. You have at least 5 years' experience in a senior management position. You have excellent leadership and managerial skills. You are result-oriented, innovative and a team player. With your situational awareness you are able to overcome differences and create sustainable relationships and a positive working environment. You are proactive and you have integrity. You have excellent change management, problem-solving and interpersonal skills. You have perseverance and exceptional communication skills. You have an interest in nature and have insight in the opportunities and challenges, regarding nature conservation. You are fluent in English and Dutch, both verbally and in writing. Papiamentu is an advantage.

### The offer

Aruba National Park Foundation offers the opportunity to contribute to the sustainable conservation and development of the unique flora and fauna of Aruba. Our client offers competitive benefits within a dynamic organization.

### The procedure

For more information please contact Mrs. Esther Baaij, Senior Manager Human Capital Consultancy, Learning & Assessments at Deloitte Dutch Caribbean via phone number: (+297) 5286200.
