

Hiring (Senior) Account Manager – Legal

Ready to change how business gets done? So are we.

If you're an expert in financial analysis and development of innovative strategies, this could be the right fit for you.

We're looking for a **(Senior) Account Manager, Legal**, for our Corporate and Legal Solutions (CLS) business in Curaçao. CLS provides comprehensive support for our domestic and international clients. You'll be able to work independently while having access to a portfolio of key clients with complex structures.

Our team offers a full range of corporate and transactional services, including local management services, accounting and administration, corporate secretarial support, and payroll to a variety of other legal and financial transactions.

We're dedicated to creating long-term relationships with our clients and business partners, and we strive to provide a personalized and practical approach to our services. We take pride in our industry-leading services and are committed to helping our clients stay compliant with national and international legislation. We also provide training, mentorship, and opportunities for growth. If you're ready for a challenge and make an impact, Intertrust Group, a CSC® company, is the place for you.

WHAT YOU'LL DO

- Responsible for the day-to-day management to ensure good legal standing during the entire life cycle of companies and take care of legal documents, draft and define service agreements and ancillary documents, analyze specific legal issues, and maintain proper legal records of all actions taken. You'll also manage specific legal client and prospect requests.
- Manage and participate in corporate and financial transactions of client companies, such as capital increases, participations, distribution of dividends, and granting or obtaining loan facility.
- Review draft minutes of any board of director meetings and general meeting of shareholders when discussing and approving financial transactions.

WHAT EXPERIENCE DO YOU NEED?

- Minimum of five years' trust experience or relevant professional experience.
- Master's degree in law.
- Experience with account management, professional client communication, and networking.
- Up-to-date relevant legal knowledge including trust developments, economic rationale for structuring, and current legislation.
- Speak English and Dutch; fluency in Spanish is a plus.
