

*Port St. Maarten Group of Companies is the maritime gateway and a catalyst of the St. Maarten economy. We are a dynamic and multi-faceted company, as our industry portfolios includes cruise, cargo, yachting and real estate. In the challenging environment of today's economic situation, it is our goal to drive the Port's development even further and guide it towards long-term success.*

DEZE VACATURE IS GEPLAATST IN HET  
**Antilliaans Dagblad**

For the leading port in the Caribbean we are seeking to strengthen our Supervisory Board with two experienced

## Members of the Supervisory Board (2)

The Supervisory Board members, contribute to the defined business strategy of the Port, by exercising an advisory and a supervisory role. The Supervisory Board is accountable to the General Shareholders' Meeting. The daily management of the Group lies with the Managing Board. The Supervisory Board consists of at least five members. Members are appointed for a period of four years and may then be reappointed once for a period of 4 years.

### REQUIREMENTS

- Master's degree or academic work & thinking level;
- proven working experience with at least five (5) years of management experience on (strategic) management level;
- no conflict of interest (nor the appearance thereof);
- has integrity, sense of responsibility, independent attitude;
- knowledge and/or insight in social, economic, political, cultural aspects of Sint Maarten;
- has good analytical ability and can assess the Managing Board with relatively limited, but relevant information;
- is capable of forming a balanced and independent opinion about the basic risks involved in the Group's operations;
- is able in the decision-making process to carefully weigh up all interests involved and arrive at a decision in a balanced and consistent manner;
- can keep an open, independent mind and adopt a critical stance towards the other members of the Supervisory Board and the Managing Board;
- demonstrates courage and power of persuasion to effectively challenge proposed decisions and capable of resisting groupthink;
- capable of supervising and steering in respect of behaviour and culture;
- endorses the importance of transparency and, accordingly, provide accountability for the performance of the Supervisory Board in carrying out its tasks and responsibilities.

### SPECIFIC EXPERTISE

The composition of the Supervisory Board aims to achieve a relevant mix of knowledge and experience. The ideal candidate should have one or more of the following expertise:

- LOGISTICS
- COMMERCIAL
- TOURISM

### REMUNERATION

The remuneration of the members of the Supervisory Board is determined by the General Meeting of Shareholders.
